MY BACKGROUND

THE ESSENTIAL QUESTIONS!

Question: If you could have a super power what would it be?

Give people the power of knowledge to solve challenges.

Question: If you could live anywhere else in the world where would you live?

Anywhere, as long as I have my whānau when we are together, we can adapt to any environment.

Question: What is your favourite thing about people?

Connecting, culture, collaborating and making new lifetime friendships.

Question: What is the funniest thing you have ever seen?

My two children wore my knee-high gumboots on two occasions, 22 years apart, and I have photos of both at the age of three. They are unaware of this, and it's so funny and cute.
