### THE ESSENTIAL QUESTIONS!

**Question: If you could have a super power what would it be?**

If I had a superpower, it would be the ability to instantly understand and communicate in any language. This power would allow me to connect with people from diverse cultures, foster better understanding, and facilitate meaningful conversations across the globe. It would enhance empathy and collaboration, bridging gaps and promoting harmony among different communities.

**Question: If you could live anywhere else in the world where would you live?**

I want to live on another planet - maybe Venus 🤖

**Question: What is your favourite thing about people?**

People's inner child that retain the emotions, experience and qualities of their childhood. Tapping in to this part is inspiring and lead to more fulfilling joyful life.

**Question: What is the funniest thing you have ever seen?**

Recently I saw a series of Netflix “Sweet Bobby”. mix of intense drama that leads to moments of dark humor in its absurdity.
