## Site Safety Check

Real-time site safety helps us keep a safe work environment for everyone. Fill this form in each time you are at a new site, or have been away for some time.

Make sure to include all relevant details, including images where relevant. (No images of people please)

### Risks present?

**Tick if a risk listed below is present. All hazards should be eliminated if possible. See the handbook for guidance or call the office if you need assistance.**

Pets or Animals on site?: ☒ **Completed**

Slip or trip hazards?: **Incomplete**

Unsecured knives, or other sharps?: ☒ **Completed**

|                                                                                                               |                                                                                     |
|---------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Accommodation layout concerns?:                                                                               | <b>Incomplete</b>                                                                   |
| Broken items that could cause injury?:                                                                        | <b>Incomplete</b>                                                                   |
| Clutter obstructing walkways?:                                                                                | ☑ <b>Completed</b>                                                                  |
| Swimming pool on site?:                                                                                       | <b>Incomplete</b>                                                                   |
| Door placement create absconding risk?:                                                                       | <b>Incomplete</b>                                                                   |
| Unsecured medications?:                                                                                       | ☑ <b>Completed</b>                                                                  |
| Unsecured Chemicals?:                                                                                         | ☑ <b>Completed</b>                                                                  |
| Unsecured items that could be used for selfharm:                                                              | <b>Incomplete</b>                                                                   |
| Infection control risk:                                                                                       | <b>Incomplete</b>                                                                   |
| Unsecured keys?:                                                                                              | <b>Incomplete</b>                                                                   |
| Unplanned visitors?:                                                                                          | <b>Incomplete</b>                                                                   |
| Do you or anyone in the house have covid like symptoms?:                                                      | <b>No</b>                                                                           |
| Are you taking measures to maximize physical distancing when possible? and wearing appropriate PPE if needed: | <b>Yes</b>                                                                          |
| Are you following good hand washing protocols?:                                                               | <b>Yes</b>                                                                          |
| How have you managed any identified hazards above to ensure your safety and the safety of others?:            | <b>Pets are friendly but are also kept outside.</b>                                 |
|                                                                                                               | <b>Unsecured knives, chemicals and meds. Put in safe provided.</b>                  |
|                                                                                                               | <b>Chair moved from walkway.</b>                                                    |
| Are any Mindfull staff on site feeling fatigue, harrassment or bullying:                                      | <b>No - we are all fine 😊</b>                                                       |
| Document your evacuation plan:                                                                                | <b>Out through front or back door and meet at letterbox</b>                         |
| Add image(s)                                                                                                  |                                                                                     |
| Your signature:                                                                                               |  |

Thank you for keeping everyone safe!
