## SUPPORT WORKER

"Everything will be okay in the end. If it's not okay, it's not the end."

John Lennon

### MY BACKGROUND

- I hold a Bachelor of Arts with a Major in Psychology and a Minor in Māori and Indigenous Studies.
- I also have a Beginner's Te Reo Māori Certificate through Fraser Adult Community Education.
- I spent a year after finishing my Bachelor's Degree in Psychology working in Human Resources and IDEA Services so I have a comprehensive understanding of how wraparound support organisations and government agencies provide care for members of our community. I have navigated public mental health systems as a teenager, so I know how much it means to have employees that care.
